“My daughter had her birthday party at the centre this weekend. The cafe looked lovely. Staff were great and the BBQ was excellent. Well presented with delicious salads. All the staff were very helpful and kind. DJ was great and catered for all the guests. Thank you for a great evening, highly recommend for a party.”

“We recently held our wedding at Henshaws. We were very excited about the venue, and it exceeded our expectations on all levels - the staff were fab and went out of their way to help us both in the run up and on the day itself, the food was great, and the centre looked amazing. We would highly recommend hosting an event here, and we’re really looking forward to popping back in for a coffee when we’re next in Knaresborough - thank-you!!”

“Henshaws arts and crafts centre is our go to place for coffee and snacks. I had my 60th birthday party last weekend and my guests, some of whom had never been to this gem of a place, commented on how much they enjoyed their visit. Food was delicious, thank you Darrell, and have commented they will definitely be back!”
