Welcome to Henshaws

Specialist

College

Henshaws

Specialist

College:

- Removes barriers

- Allowing students to learn

- Supporting Achievement

We

have

helped:

students

find

their

voice

when

they

•

thought

they

couldn't

communicate

take

steps

when

it

was

thought

they

•

would

always

be

wheelchair users

find

employment

when

no

1

one

thought

•

they

could

work

At

Henshaws

we

don't

let

anything

stop

us

from:

● Building

Confidence

● Developing

Independence

● Supporting

Achievement

for

our

students

Message from the Principle of Henshaws

Specialist College

Henshaws Specialist College is:

- The  only  Specialist  Further Education

College in Yorkshire.

Henshaws offers:

-  both  day  and residential  programmes

-  open  365  days per year

-  a beautiful  campus  located on the

 outskirts  of the historical  spa  town of

Harrogate.

We

deliver

life

changing

experiences

and

learning

through

bespoke:

- education

- care

- therapy

- clinical

programmes

for young people

ages

16

16

to

25

25

with special

education

needs

and

disabilities.

From  your  very  first day  at college,  we'll

 work  with  you,  your  family and the

 professionals  who  support  you  to put together a

 plan  to  help  you  achieve  your lifelong

 goals.

Adrian Sugden

 Principal  of Henshaws  Specialist  College

Learning

Our

study

programmes

are

tailored

to

each

student's

individual

needs.

We

work

with

you

to

create

a

education

and

care

plan

that

supports

you.

To achieve and

exceed

your

targets

set in

your

Education,

Health

and

Care plan

and

more.

Care

Our

dedicated

care staff

will

support

you

across

all

settings,

our

care staff

includes:

-

Care

Leads

-

Care

Leads

-

Student

Support Assistants

-

Enablers

So whether you are learning about interview

skills in the work centre, trying yoga in a

holistic therapy session or shopping in Harrogate,

our care team will be there to ensure

your learning and personal care needs are met.

Clinical

Our

Clinical

Team,

led

by

a Registered

Nurse,

will

ensure

any

nursing

needs

you

have

are

met

so

you can

enjoy

your

education.

We

will

ensure

your

dedicated

Enablers

are

fully

trained

and

supported to

meet

your

clinical

needs

whilst

at

Henshaws.

We

will

support

you

to

access

services

to promote

your

health

and

wellbeing.

Therapy, Education and Sensory Support

We

will

develop

an

individual

learner

support

package

to

help

you

access

the

curriculum.

Our

in-house

team

offer

a

wide

range

of health

and

support

services

across

our

5

five

specialist

areas:

- physical therapies

- speech and language therapy

- sensory integration therapy

- positive behaviour support

- sensory impairment support

Living on Campus

In Harrogate

we

have

capacity

for

around

100

100

students,

of which

41

41

can

live

on

campus

in a

range

of

accommodation

options.

All of

our

buildings

are

accessible,

with

many

rooms

featuring

tracking

hoists

for

students

who

are

essential

wheelchair users.

We

can

meet

the needs of young people with a wide range

of conditions.

We

can

also

offer

residential

respite,

social

care

options

and

short

breaks

Life

After

College

After

leaving

college,

our

graduates

progress to:

- further education and training

- supported employment

- supported living

- volunteering or daytime activities.

transition

team

is

available

to

provide

guidance

and

bespoke

support

from the

time

of

your

first

enquiry

to

3

three

years

after

you

have

left

College.

Open

Events

Are you

and

your

family

making

choices

about

your

future

and

what

you'd

like

to

do

next?

We

recommend

that

you

visit

us

before

making

an application

as it

gives

you

and

the chance

to

look

around,
