?

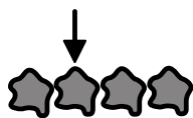

What does consent mean?

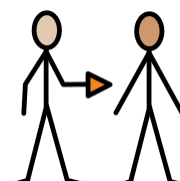

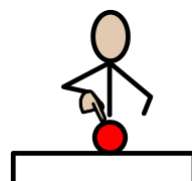

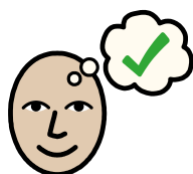

•Consent means saying 'yes'

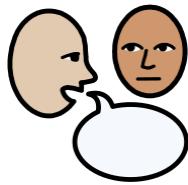

•It means agreeing to

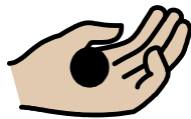

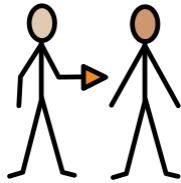

something

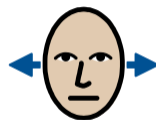

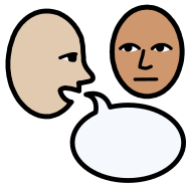

•Understanding what you

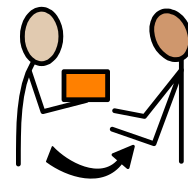

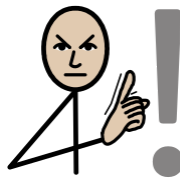

are saying 'yes' to

• You have the right to

say 'no'

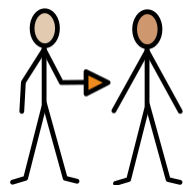

Why is it important to give

consent?

• When

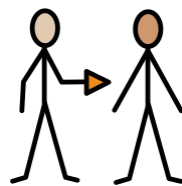

you

give

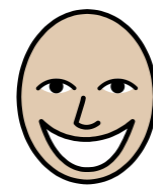

consent

it means

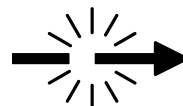

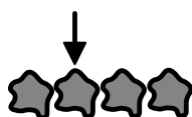

you

are

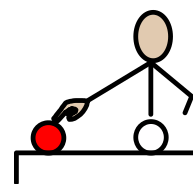

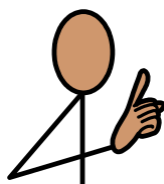

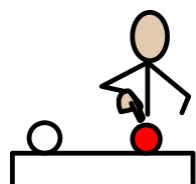

happy

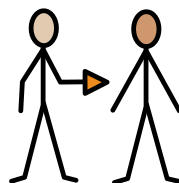

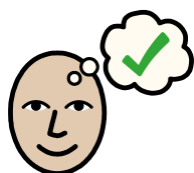

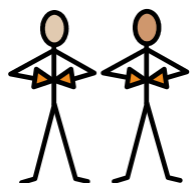

for

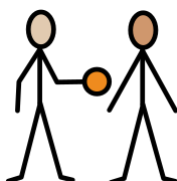

something to happen

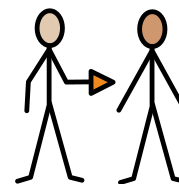

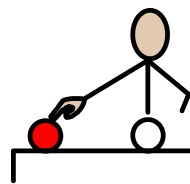

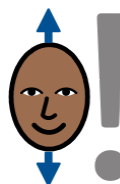

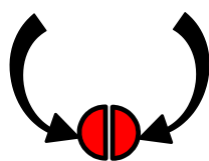

• This is important so that

we know you are happy

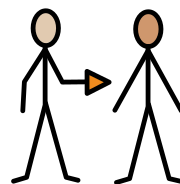

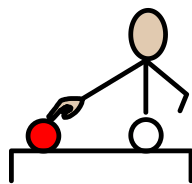

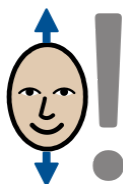

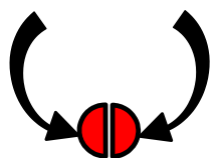

to have your care

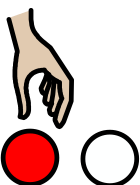

•It makes sure that you

are listened to

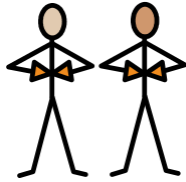

It makes sure that you

have choices

When will

we

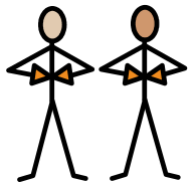

ask

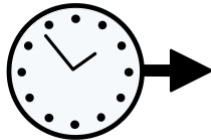

for

consent?

will

ask

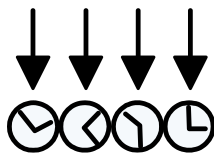

for

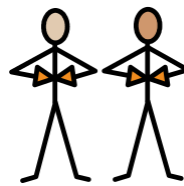

your

consent

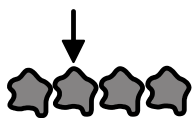

every time

we

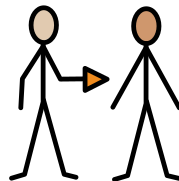

do

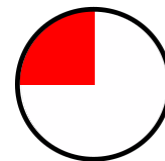

something

with

you,

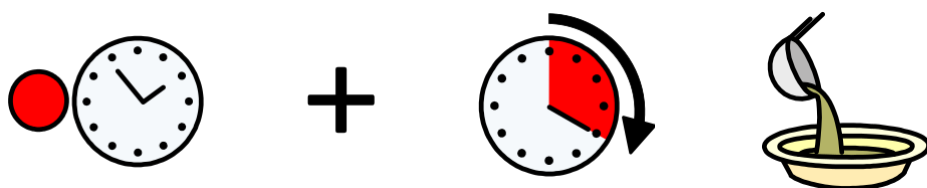

including:

•Before and during

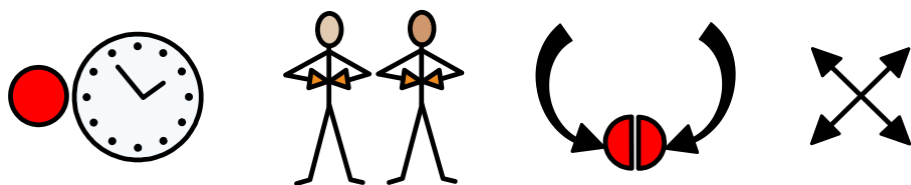

personal care

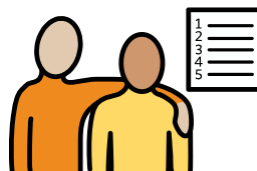

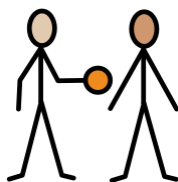

•Before and during helping

with medicines

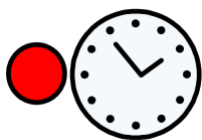

•Before we make any

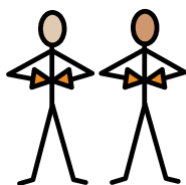

changes to your care plan or

risk assessment

•Before

we

share

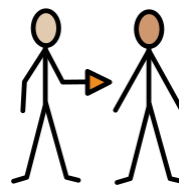

any

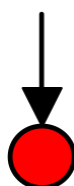

information

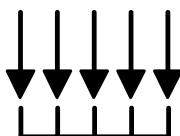

about

you

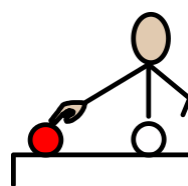

•At

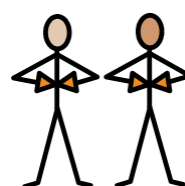

all

times

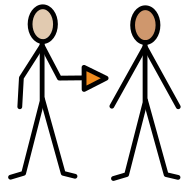

that

we

support

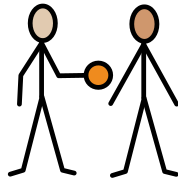

you
