

• home support & domiciliary service

Enabling you to maintain and develop skills which build independence and personal choice.

Our experienced staff team specialise in supporting people with a range of disabilities, including sight loss.

We provide personalised flexible support; our individually tailored service helps you live as independently as possible in your own home.

We can help with:

- Personal care and administering medication
- Household tasks
- Access to leisure and social activities
- Emotional support
- Supporting you to use your mobility or low vision aids
- Making your home and environment more accessible.

We support every individual who uses our service to achieve their goals and live the life they choose.

“Before I used Henshaws Home Support Service, I was just existing.

Now I am living life to the full. The staff are wonderful; they have opened up a whole new world for me.”

Carol.
